

THE Yachtsman Collection

Voyages Inspired by the Original Yacht

When Seabourn first set sail in 1988, we introduced a different way to explore the world: on board a fleet of **intimate ships** designed to feel like private yachts.

The Seabourn Difference by Design

SMALL SHIPS, EXTRAORDINARY ACCESS

Our intimate ships call at boutique ports and yacht harbors beyond the reach of larger vessels, bringing guests closer to the heart of each destination.

OCEAN-FRONT SUITES

Every suite offers ocean views, creating a seamless connection to the sea throughout your voyage.

PERSONALIZED SERVICE

With nearly one team member for every guest, service feels intuitive, thoughtful, and distinctly Seabourn.

RELAXED LUXURY

Warm, welcoming and familiar—but not stuffy. Seabourn's atmosphere fosters meaningful connections among guests and crew alike.

Celebrating 40 Years at Sea The Yachtsman Collection is part of Seabourn's Ruby Collection—a series of **special voyages and experiences** created to commemorate our 40th anniversary and the spirit of exploration that continues to guide us forward.
