Canadian dollars at par on destination wedding packages

Plan the destination wedding of your dreams, for less. When you book your wedding package at select resorts by October 30, 2026, for travel from December 1, 2026* onwards, you'll receive up to 29% discount– the equivalent of paying the same rate in CAD.

Since wedding packages are paid directly to the hotel in USD, we've secured special pricing at select resorts just for our valued Canadian clients. You'll receive an exclusive discount to counteract the exchange rate.

Whether you're planning a breathtaking beachfront ceremony in Punta Cana, a poolside fiesta in Riviera Maya or an exotic celebration in Costa Rica, this discount is applicable on some of our most popular destination wedding resorts.
